Then stop by just for the
special presentation!

Special Presentation, 1pm:

The State of the James:

The Health of Our River and

What You Can Do

Speaker, Ben Watson,

Staff Scientist James River Association

On **July 14**
at **5 PM**
you can
help us pack **25,000 meals**
for hungry people.

Here's how!

1 – Contact the Gayton Kirk to register to pack meals before July 14. We need at least 80 people.

This is a multi-generational event. Whether age 3 or age 103, we can find meaningful work for you at this event. Join our great family event.

2 – Donate money to help pay for the meals.

Each meal costs \$.33. Our total cost for 25,000 is \$8,339.76. We already have raised \$2,500 (June 7, 2019).

Feed 100 children for only \$33.00.

3 – Invite 2 local businesses to be sponsors of this event by making a financial donation.

We will

- DISPLAY the businesses' names on a large publicity board at the packing event
- FEATURE their names on our FaceBook page
- SEND the businesses thank you letter for display at their businesses

Are you part of a business wanting to help make the world a better place?

If so, you can join with us to help feed hungry children.

Rise Against Hunger provides food to places where hunger is prevalent.

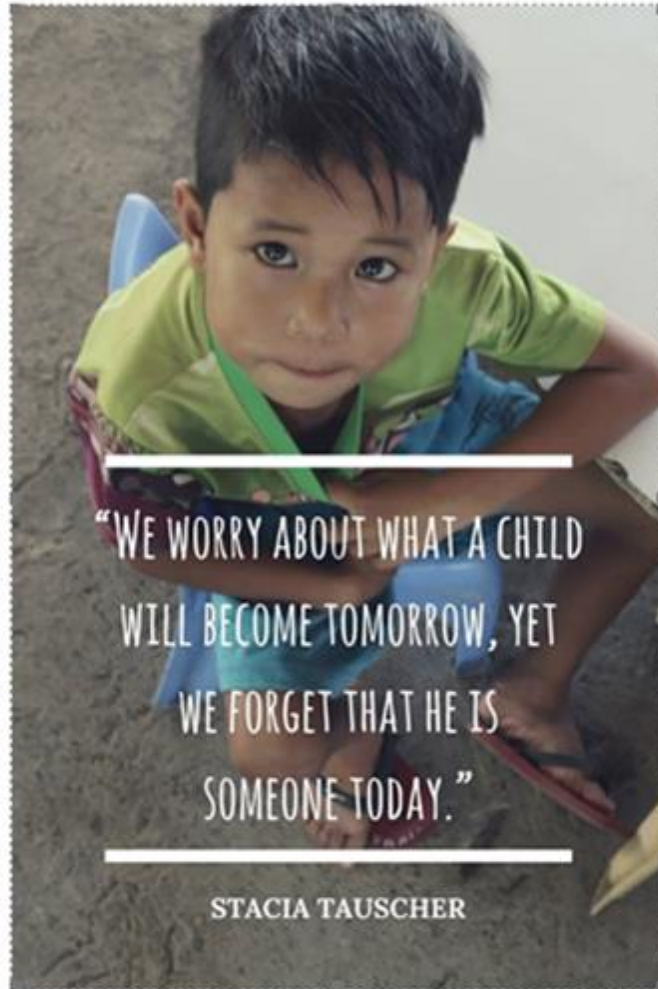

Rise Against Hunger joins with schools to provide lunch for children, so the children can come to school to learn and be fed.

Rise against Hunger teaches good farming practices, so people are able to grow their own food.

If your business donates to our event we will:

- DISPLAY your business' name on a large publicity board at the packing event
- FEATURE your business' name on our FaceBook page
- SEND your business a thank you letter for display

Feed 500 children for only \$165.00.

**All donations are greatly
appreciated.**

5 PM JULY 14, 2019
