Faith & Film

FAITH AND FILM NIGHT TUESDAY OCTOBER 15 AT 6 PM WILL FEATURE

THE GOSPEL OF MARK (Part 1)

According to reviewer Kevin Ott, this “is the first unabridged, word-for-word reading of the entire Gospel of Mark set to film and adapted with live-action actors and sets. And it executes each scene with surprising production quality and legitimate acting gravitas. There are wonderful visual moments: stunning close-up shots with exquisite detail and beautiful slow-mo cinematography done with great taste. There’s no cheesiness, in other words, and there are scenes that provoked real tears and emotion. This is incredible, considering that it’s not a traditionally scripted film but instead uses an innovative documentary style voice-over approach where a narrator reads the Gospel in its entirety as we watch the actors perform the actions being described in the Gospel. It is incredibly powerful to hear the Gospels as they are written combined with the visual power of live-action portrayals. It’s a wonderful gift that these filmmakers have given.”

An additional blessing this evening will be the presence of the Rev. Hunter Hill who has made a life-long study of Mark, is writing a book on the Gospel, and has been teaching a course on it over the past year at the Kirk. Hunter will be our expert guide to probe a deeper understanding of what we are hearing and seeing on the screen. We will continue and conclude this exploration of Mark at our November gathering.

Please notify Bob Chesnut at chesnutra@gmail.com if you’re coming so we can order enough pizza. Soft drinks are included and participants are invited to bring other goodies to share.
