Enter Exodus

During the Lenten Season the 11 AM Worship Services will explore these themes from the book of Exodus:

- What are the things that weigh us down? Tie our hands? Prevent us using our faith?
- Do we have enough for joy? Has God provided enough for a good life?
- How can hope shape our life's journey? What reassures us about the future?
- How do we live together in peace? With our neighbors, our family, God's creation?
- When we turn from God, how do we reconnect? Why do we need to do anything?

The Worship Committee has provided Lenten Devotional books, “Becoming a Beloved Community,” for your family to take home. These are available in the Narthex.

The Lenten Season at The Gayton Kirk

During the five Sundays of Lent this year (all Sundays in March), we are offering to all adults an opportunity to put on paper the things that matter most to you should you be unable to communicate due to some life -changing event.
Beginning Sunday, March 1, 9:30 – 10:30 AM, we will meet in the sanctuary to use the Five Wishes advance care planning guide to journey together and discuss thoughts, support each other, and wonder about what is actually important to us.

Five Wishes allows you to express:

- The person you trust to make decisions for you
- What types of medical treatment you would want – or not want
- What is most important for your comfort and dignity
- What important spiritual or faith traditions should be remembered
- What you want your loved ones and healthcare providers to know about you
