The Meaning of Mary Magdalene: Discovering the Woman at the Heart of Christianity Edition by Cynthia Bourgeault

MONDAYS 10 AM [ZOOM](#)

Mary Magdalene is one of the most influential symbols in the history of Christianity—yet, if you look in the Bible, you’ll find only a handful of verses that speak of her. How did she become such a compelling saint in the face of such paltry evidence?

In her effort to answer that question, Cynthia Bourgeault examines the Bible, church tradition, art, legend, and newly discovered texts to see what’s there. She then applies her own reasoning and intuition, informed by the wisdom of the ages-old Christian contemplative tradition. What emerges is a radical view of Mary Magdalene as Jesus’s most important disciple, the one he considered to understand his teaching best. That teaching was characterized by a non-dualistic approach to the world and by a deep understanding of the value of the feminine.

Cynthia shows how an understanding of Mary Magdalene can revitalize contemporary Christianity, how Christians and others can, through her, find their way to Jesus’s original teachings and apply them to their modern lives.

GROUP TO REVIEW **THE GRIEF RECOVERY HANDBOOK**

TUESDAYS 10 AM [ZOOM](#)

This group will read and discuss this book as we consider offering a grief group in the future. As we go through the book, chapter by chapter, we will also be aware of and support each other as issues come up.

ABOUT THE BOOK: Updated to commemorate its 20th anniversary, this classic resource further explores the effects of grief and sheds new light on how to begin to take effective actions to complete the grieving process and work towards recovery and happiness. Incomplete recovery from grief can have a lifelong negative effect on the capacity for happiness. Drawing from their own histories as well as from others', the authors illustrate how it is possible to recover from grief and regain energy and spontaneity. Based on a proven program,

The Grief Recovery Handbook is a groundbreaking, classic handbook that everyone should have in their library.

Faith and Film this month will focus on Dorothy Day, social activist, and founder of the Catholic Worker Movement. When he spoke to the U.S. Congress several years ago, Pope Francis identified her as one of four outstanding American faith-based heroes along with Abraham Lincoln, Thomas Merton, and Martin Luther King, Jr. You can watch either or both of the two films: the 1996 biopic “Entertaining Angels: The Dorothy Day Story” or the 2020 documentary “Revolution of the Heart: The Dorothy Day Story.” Use Google to find where you can view them.

Zoom discussion of Day’s life and witness on Tuesday, January 19, 2021.

ZOOM Discussion will continue on Sunday, Jan. 24th at 2PM during the Progressive Christianity Class!

NEW KIRK COMMUNITY CENTER CLASSES - COME, JOIN US!

MOLLIE TRAINUM TO TEACH THURSDAY EVENINGS 5:30-7PM

One of Mollie's projects this year with us is to teach an adult class. I encouraged her to teach something she really enjoyed. Mollie has a background in history and found one of her classes at the seminary really intriguing. **Political Theology** is the study of how different political situations throughout the world influenced a particular kind of theology. Students will be introduced to Womanist Theology, Liberation Theology, Feminist Theology, and more, as each theology defines itself in light of the current theological situation and historical political situation.

This is not a class about democrats and republicans, nor is it only about theology in the United States.

I think you will find this to be an eye-opening look at how individuals and groups explore religion and develop a way of thinking about God in their context. *The classes will be held Thursday evenings 5:30 - 7pm for 6 weeks beginning Jan 14.*

The classes will be on zoom. If you have friends you think would be interested, please invite them to join the group. email Mollie to let her know of your interest.
